

Lake Divide Farm

CERTIFIED ORGANIC AND SUSTAINABLY GROWN

Offering delicious vegetables and herbs from our family to yours!

Interested in eating fresh? Join our Market CSA and pick up your produce at our farmers' markets for the 2018 season! Find us in Ann Arbor, Chelsea, Howell, Northville and Stockbridge!

How it works:

Open an account by prepaying and become a member. This prepayment helps the farm by guaranteeing income in the face of adverse growing conditions. For your commitment to us, a bonus will be added to your opening balance. This account can be used throughout the season to purchase produce. Balances roll over from year to year and are only void if left unused for a year or more.

You won't have to worry about receiving produce that your household does not enjoy, committing to attending the market every week, or remembering to bring cash to the market. Instead, look forward to coming to one of our five weekly markets when you want and selecting the produce of your choice! You may choose from all available produce and select quantities you prefer. Your balance will be adjusted to reflect your selections without hassle.

In addition to flexibility, you will receive a weekly email with your account balance, a list of available produce, and updates about farm happenings.

We offer five account sizes:

- Prepay \$200 and Receive a 6% Bonus – Opening Balance of **\$212**
- Prepay \$250 and Receive an 8% Bonus – Opening Balance of **\$270**
- Prepay \$300 and Receive a 10% Bonus – Opening Balance of **\$330**
